

Care Packages for College Students - 2013

Our Recent Projects:

Peace Above the Storm has been mission driven. In recent years, we have

- Shown our support for the Greater Boston Academy Impact Drama group by designing and purchasing a club shirt for each member.
- Provided care packages to college students away from home for the first time, letting them know that someone is praying for them as they conquer the challenges of academia.
- Working with Greater Boston Academy, we raised enough to rebuild a church in the Dominican Republic. The church membership has multiplied 10 times its original size and has become a sense of pride for its community.

PEACE ABOVE THE STORM MINISTRIES

*"To meet the temporal needs
of humanity, while offering
that which is eternal"*

Mission Dominican Republic - 2010

About Us:

Peace Above the Storm Ministries (PAS) is a volunteer operation founded in 2005. Our mission is to meet the temporal needs of humanity, while offering that which is eternal; a relationship with Jesus Christ.

- We believe education is the means to freedom, success, and a better society. Thus, a large portion of our ministry focuses on the education and empowerment of young people around the world.
- Our work stretches both nationally and internationally, and we seek to help all humanity regardless of race, religion, or nationality. Our work started with a major evangelistic effort in Belize (2005) and stretched over to the jungles of India (2007)

where we provided administrative help to a rural school. We then traveled over to the Dominican Republic with the students of Greater Boston Academy (2010) to rebuild a church. Locally, we provide mentorship programs, tutoring and extracurricular activities for students, and empowerment seminars.

Our Mission:

Peace Above the Storm Ministries (PAS) aims to meet the temporal needs of humanity, while offering that which is eternal. 1 John 3:16 is our motivation for service; a true understanding of love received is unconditional love given.

Remarks from Founder:

My experiences as a missionary has led me to see suffering on various levels, causing me to realize how insignificant my life would be if it were not lived to its greatest potential, which is to share it with a helping hand. Thus, PAS was formed to fulfill the great commission and to encourage others to do likewise. -Gavin Gaynair
