

# PEACE ABOVE THE STORM MINISTRIES

2015 Winter Issue

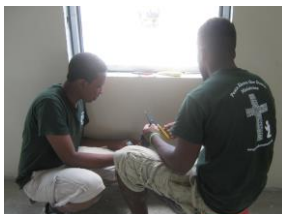

## OUR MISSION

Peace Above the Storm Ministries (PAS) aims to meet the temporal needs of humanity, while offering that which is eternal.

1 John 3:16 is our motivation for service; a true understanding of love received is unconditional love given.

## GREETINGS

The most valuable thing humans possess is time! Most of us are granted 24 hours each day to do as we please. How will you spend your time in 2015? I hope you will commit to giving a significant portion of your time to those around you in need of your love. Always remember, the love of Christ is best expressed through you! Have a blessed year.

## OUR RECENT PROJECTS

### Mission to Belize - 2014

While in Belize, our group spent a couple days volunteering at the Liberty Children's Home. We lent our helping hands by cleaning the grounds of the institution. Although the task was simple, it was a huge service to the Home's understaffed maintenance team! We spent the remainder of our days volunteering with the MOVE (Missionary Outreach and Volunteer Evangelism) team by helping with the construction of their missionary training center. We assisted the team with grouting tiles, electrical wiring, installing pipes for plumbing, and groundskeeping.

Each afternoon our group did home visits and Bible studies. We also made a visit to the local hospital and jail to spread some hope and cheer to those who were struggling through various circumstances. During the last week of our trip, we conducted a week of prayer in the village of Trial Farm. Our focus was on finding encouragement through the stories told in 1<sup>st</sup> and 2<sup>nd</sup> Kings. All in all, our mission was a huge blessing.
