

# PEACE ABOVE THE STORM MINISTRIES

2017 Winter Issue

## OUR MISSION

Peace Above the Storm Ministries (PAS) aims to meet the temporal needs of humanity, while offering that which is eternal.

1 John 3:16 is our motivation for service; a true understanding of love received is unconditional love given.

## GREETINGS

As always, we hope this newsletter finds you well. In 2016 we conducted our largest mission trip thus far. The Harris family joined efforts with PAS and the end results were amazing. In 2017 we are hoping to build upon our past efforts and take PAS to a new level, hoping to broaden our outreach efforts. It is our ambition to become an approved 501(c)3 non-profit organization. We ask that you pray as we select the board of directors and make decisions that will impact the future of our ministry. May God continue to guide you and use you in His service.

## Mission Belize – 2016

### Mission Report

The 2016 mission trip to Belize was a huge success. We worked in the village of Crooked Tree and conducted a vacation bible school program entitled “Light House Reef,” a health expo focusing on the NEWSTART lifestyle model, and an evangelistic program focusing on prophecy.

Mission Belize – 2016

Much of the village showed up for the health expo, over 50 children attended the VBS, and a good number of villagers showed up for the evangelistic series. Two individuals gave their hearts to Christ and were baptized. Many stated that our efforts brought the community together.

*Our logo reminds us of our mission. The dove is a symbol of peace and the rainbow is a reminder that storms are finite. The children represents that which is of utmost value to God, His human creation.*
